Exam Process and Procedures

- The exam consists of 4 levels in each language category: Beginner, Mover, Runner and Flyer.
- Each level includes 20 questions. There are a total of 80 questions in each language exam.
- Each level has duration of 20 minutes. The entire exam lasts 80 minutes, exluding breaks.
- Each participant is required to start the exam at the Beginner level.
- There will be an instant evaluation at the end of each level and if there are 10 or more correct answers, the participant will move on to the next level.
- There is a break when transitioning between levels during the exam process.
 - > 3-minute waiting time when passing from Beginner to Mover
 - > 15-minute break when passing from Mover to Runner
 - > 3-minute waiting time when passing from Runner to Flyer
- The exam process for students who cannot pass the current level will be completed.
- The exam results will include 2 different types of evaluations:
 - > Evaluation based on the last level achieved.
 - > Evaluation based on total number of participants.

Please keep in mind that you're in a competition against time. If you're confident that you've finished a level, click Submit right away.

In cases of equal scores, those who completed the exam in the shortest total time will have an advantage.
